

Barricade Ltd offers a complete co-ordinated range of robust and attractive steel-framed, timber-slatted outdoor furniture for all public and private environments. The range design is based on a matching slat width of 170mm, and offers the widest choice of fixing options. There is also a choice of timber and standard lengths. The steel frames are colour-coated. Non-standard sizes of all items can be made to order.

### Available in sizes:

- 820, 1120 and 1420 mm lengths
- 170 mm timber slats
- Galvanised steel frame

### Options:

Optional arm-rests  
Engraved plaques/carving

### Timber material available:

- ✓ Iroko
- ✓ Cedar
- ✓ Oak
- ✓ Softwood
