

Barricade Ltd supply a wide variety of litter bins and dog waste disposal bins in a variety of styles, sizes and colours.

The litter bin is manufactured in steel and is supplied complete with a galvanised steel internal liner and a fixing kit for either fixing to a wall, fixing onto a post or bolting directly down to a suitable surface. The steel litter bins are available in a range of standard colours and more finishes are available on request.

The frame of the bin is manufactured from steel for strength and durability.
